Sheriff Bobby Webre

Sheriff's Scholarship Program Underway

Sheriff Bobby Webre announced that the Louisiana Sheriff's Scholarship Program will award scholarships providing assistance to worthy Louisiana students in furthering their education and training with resources made available through the Louisiana Sheriff's Honorary Membership Program.

Scholarships of a maximum of \$500 each will be awarded to graduating high school students from each parish where the Sheriff is an affiliate of the Honorary Membership Program.

There are no restrictions on the purposes for which the scholarships are spent. The scholarships are not loans and will be awarded as gifts to defray rising costs of tuition and related expenses in higher education. The only limitations are that applicants be permanent residents of Louisiana; scholarships be utilized in higher education within the state of Louisiana; and students be enrolled as full-time undergraduate students.

Completed applications must be submitted to the Sheriff of the parish of the applicant's permanent Louisiana residence by April 1. Further, applicants must be eligible for admission to the school indicated on the application. The award will only be paid for attendance at institutions of higher learning within the state. Winners will be announced in May.

Applications are being provided to the high school counselors, and can also be obtained from the Sheriff's Office in Donaldsonville and Gonzales.
